14th Sunday in Ordinary Time

## 14<sup>TH</sup> SUNDAY IN ORDINARY TIME

When the sabbath came he began to teach in the synagogue, and many who heard him were astonished. They said, "Where did this man get all this? What kind of wisdom has been given him? What mighty deeds are wrought by his hands!" - Mk 6:2

## Please Welcome Fr. Craig Marion TO SACRED HEART CHURCH

I entered Seminary in 2010. Prior to entering Seminary, I worked for almost 13 years. My college background prior to entering Seminary was Business, Accounting and Finance. I was fortunate at the age of 18 to be hired by a small consulting company. Beginning as an office clerk, and in my time there I was able to learn a great deal. I was eventually working as the Assistant to the Human Resource Manager, I then worked as Systems Analyst and when I left the company I worked in Systems Support as a Recruiter.

After leaving the consulting firm, I worked for General Motors for more than six years. In a strange turn of events, I ended up working in the Quick Service Business. Who would have thought a guy that almost always worked in financial work, would wind up running Restaurants? Quick Service Restaurants were very challenging. Immediately after being training, I turned around a unit in Southgate, from there I was asked to "fix" a unit in Allen Park, this unit had enormous problems, gaping holes in the HVAC roof units, the main drain line was no longer functional, the store was in severe disrepair and the employee morale was very low. In the end, working on average of 80-100 hours per/week a great deal was fixed and repaired and morale improved. The unit stabilized and was making money. However, after 18 months, I realized I could not continue to work nearly 100 hours average per/week permanently. I also realized that was really the level of commitment needed for the unit to continue to progress. So, I decided it was best for me to go back to doing the work I did best and returned to financial and business analytical work.

I was then hired to work for a multi-national insurance and financial corporation; the intricacies of Insurance were challenging. While doing this work, in prayer I thought perhaps the Lord had a different plan for me. I became then, much more involved with my home parish, St. Vincent Ferrer. I began assisting as a Lector and an Extraordinary Minister of the Eucharist. I really prayed in a deeper way for the first time in my life and I really desired to know what God's will for me was. With that I spoke to my Pastor (Fr. John Esper) he encouraged me to contact the Vocations office for the Archdiocese.

After some time, I decided to call, Fr. Tim Birney, the Director of Priestly Vocations, at the time, and I decided to visit the Seminary for a discernment weekend. It was a beautiful weekend. I could see what life was like, living in the Seminary. Soon after I met with Fr. Birney again, he offered me an application to enter Seminary. I completed the application process and I was fortunate to be approved to enter Seminary. I resigned from working and entered Seminary in 2010.

I spent three years studying Philosophy and living in the college of Sacred Heart Major Seminary. I graduated from the College, in 2013, with a Bachelor's Degree in Philosophy. As all men who now study to be a Priest for the Archdiocese of Detroit, I immediately began studies in Theology at Creighton's University, within the Institute for Priestly Formation program, specifically the Spirituality of a Diocesan Priest. I then returned to Sacred Heart and began Theology in the fall of 2013, as a candidate for Holy Orders and finished with a Master's Degree in Divinity from Sacred Heart Major Seminary and also concurrently earned a Bachelor's Degree in Sacred Theology awarded from the Angelicum in Rome. Thanks-be-to-God, I was ordained June 3, 2017.

Most recently, I have been serving at St. Andrew Catholic Church in Rochester, MI. Just prior to that, I was serving as the Associate Pastor at St. Paul on the Lake Parish, first for Msgr. Pat Halfpenny, and the final year for Fr. Jim Bilot. I have been so very blessed in this assignment. Both Parishes were wonderful parishes and the people are such a gift.

I pray that I will be a good servant to all of you at Sacred Heart as your summer Administrator. I promise to keep you in my prayers. Please, if you would, pray for me.

*Fr. Craig Marion*

## HEARTS ON FIRE

at Sacred Heart  
Where Faith is Known,  
Lived, & Shared

*"Be who God meant you to be and you will set the world on fire!" St. Catherine of Siena*

**LISTEN to "Charisms 101"**—You and I received the Holy Spirit in our baptism....But the public manifestation of the Holy Spirit—fruit-bearing—requires intentional cooperation on our part. We must choose in faith to do what God has called and anointed us to do....**Charisms are supernaturally empowered graces given to apostles who have a mission to bring the presence and love of Jesus Christ to a specific setting or situation.** Charisms are whole life gifts that apostles take with them everywhere they go....are always [used] for others....are distinct from natural talents....cannot be used for evil....might be given as a single charism, but typically are given 2-5.

*(Fruitful Discipleship, by Sherry Weddell, pg 97-111)*

**PRAY: Tear or cut off this prayer and keep it where you'll remember to pray it throughout the week**

*Come, Holy Spirit, Lord of the Gifts, to Sacred Heart Church and to our Sister Parishes; Enkindle the fire in our hearts to "intentionally cooperate" with the special Charisms you gave us at our baptism. Open our minds to "choose" mission—that particular calling you anointed us to do in order to "bring the love of Jesus Christ" to a specific place or person in our world. Guide us into discernment of these Charisms, so that we may use them for Your glory. Come Holy Spirit, fill the hearts of your faithful and kindle in each of us the fire of your love as we discern and use the Charisms you have given. Amen!*

**ASK & ACT:** What is this note saying to **me**? This week I'll look back on my life to see if there were certain times or situations where I felt I was doing God's work or He was working through me. If so, did I get any feedback that others thought so too, or that the result was "supernaturally powered"? If not, I will ask God to reveal to me a situation this week where He could use me—then I will watch for opportunities to say "Yes."

## Saint OF THE WEEK

JULY 5 | SAINT ELIZABETH OF PORTUGAL

On July 5, it is the feast day of St. Elizabeth of Portugal. Elizabeth of Portugal was married young: she was only twelve years old when she became the wife of King Denis of Portugal. She was the daughter of King Peter III of Aragon and at her baptism in 1271 received the name of her great-aunt, St. Elizabeth of Hungary. Even at that early age, she had a well-disciplined character and, like her namesake, looked after the poor and pilgrims, with the consent of her husband.

She inaugurated what today we would call social works in her kingdom, set up hostels for pilgrims and travelers, provided for the poor, established dowries for poor girls, founded a hospital and a house for penitent women at Torres Novas, and built an orphanage. Her husband was notoriously unfaithful to her, but she bore all this with patience and her sweetness of disposition was her greatest asset. She even looked after his illegitimate children as if they were her own and made provision for their proper education.

She had two children of her own, Alfonso and Constance, the son later rebelling against his father. St. Elizabeth of Portugal became the peacemaker, and several times reconciled the son to the father. Through her efforts, war was averted between Castile and Aragon.

In 1324, her husband became ill, and she devoted all her attention to him, never leaving his room except to go to church. His illness was long and tedious, but he sincerely repented of his disordered life and died at Santarem in 1325. After his burial, she made a pilgrimage to Compostela and decided to enter the Poor Clare convent at Coimbra. Persuaded not to do this, she became a Franciscan tertiary and lived in a house close to the convent.

Elizabeth died at Estremoz at the age of sixty-six, en route there to bring about peace between her son and her nephew, Alfonso XI, of Castile. She was canonized by Urban VIII in 1625. She is the patron saint against jealousy and of brides, charities, difficult marriages, falsely accused people, and widows.

### Prayer for Our Country

*Eternal God, You created the earth  
with a broad stroke of your love,  
made men and women in your image, and entrusted  
this world to us as good everyday stewards.*

*May our country never turn from you.*

*May your disciples lead by example  
and may the lost always seek you.*

*Give our earthly leaders the wisdom to know  
your will and the courage to follow it.*

*May our country be a reflection of your Kingdom  
where the lion lies down with the lamb and where  
peace, hope, and love are afforded to everyone.*

*Amen.*

## SACRED HEART Intercessory Prayer Team

**The fruitfulness of evangelization depends upon the graces called down through intercession.**

**As we celebrate the launch of Families of Parishes, let us pray:**

~ *May Fr. Mark Brauer, our Moderator, Fr. Craig Marion, and Fr. John Vandenakker, be blessed with courage and the power of the Holy Spirit as they lead us on the new phase of our journey with Christ.*

- ~ *Grant that your Holy Church in Detroit, praying perseveringly and insistently with one mind, together with Mary, the mother of Jesus and guided by St. Joseph, may increase the reign of the Divine Savior.*
- ~ *May all staff, clergy, and parishioners in our Family of Parishes—St. Hugo, St. Damien of Molokai, St. Thomas More, and Sacred Heart unite in the power of the Holy Spirit to become a true family, united in love for God and each other.*
- ~ *For the Holy Spirit to open the hearts of all in our Family of Parishes to become joyful missionary disciples.*

**We ask all this in the Name of the Father, the Son & the Holy Spirit (Sign of the Cross). Amen.**

## GOSPEL MEDITATION

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

It's all so ordinary that we can easily miss it. The seagulls hunting and diving for mollusks at the beach offer a display of determination and precision as they gather their food for the day. It's simply what these creatures do. Yet, there's a magical artfulness and skill to their work that speaks volumes about the One who breathed life into their being. This is pretty much the way it is with God's presence. God comes in common ways through common things and ordinary people. Sadly, we are so engulfed in our little worlds of order and ideas to notice the beauty and wonder of it all. Many have numbed themselves to the Divine spark at the essence of all life because that's just the way it is. What's so special about it? A sunset is a sunset and a seagull is a seagull. That's precisely what they thought about Jesus too. After all, isn't he just the carpenter's son? What merit can his words possibly have?

If we're looking for God to come in an event that is so dramatic and intense that it knocks our socks off, then think again. When pondering God's relationship with His people and God's action in our lives, we have to go back to the stable and the recurring, creative, unending power of God's presence. It was a quiet, run of the mill kind of night. There was nothing spectacular or extraordinary. To the naked eye, a woman

gave birth to a child and there wasn't anything extraordinary to see. We have a hard time understanding God's ordinariness. Jesus grew up in an ordinary town, had neighbors and did normal human things. Perhaps that's why we don't always like the Gospel. It doesn't dazzle us with extraordinary things but simply challenges us to take a different look at our ordinary stuff. That makes us uncomfortable. We prefer things as they are. Our lack of faith can even cause us to take offense at what Jesus says and does, dismissing it as folly.

God's life-giving presence continues to sustain that seagull in flight and keep all things in being regardless of whether we have the faith to see and understand this. Our personal agendas, preconceived ideas, misconceptions, and expectations can often cause us to be hardened and blinded to what God is doing or desiring to do. While God continues to do what he has done for all eternity, faith is needed for God's presence to bear fruit. The blinders we wear and the expectations we bring to life can often prevent us from seeing graced moments that radiate with God's graceful presence. They also prevent God's transforming, healing, and hope filled vision for our world from being realized. Without faith, God won't be able to do much for us either. ©LPI

## Reflect AND RESPOND TO SCRIPTURE

### FIRST READING:

Today's reading is an excerpt from the prophetic call Ezekiel received while in exile in Babylon (Ez 1:1-3:27). The Lord commissioned Ezekiel to go and confront the "rebellious house" of Israel. **How do you imagine the Israelites received Ezekiel's message?**

### SECOND READING:

Paul learned that the "thorn in his flesh" taught him to be humble and dependent upon God's grace alone. **Where do you see God's grace most present in your life?**

### GOSPEL:

Jesus was "amazed" at the lack of faith his fellow Nazareans had in him, suggesting Jesus expected a different response. **Why do you think the villagers of Nazareth "took offense" at Jesus?**

### JOHN PAUL II IN AMERICA: UNITING A CONTINENT

The papacy of St. John Paul II left an indelible mark on our homeland. Driven a conviction to unite the Americas under the patronage of Our Lady of Guadalupe, he traveled from Argentina all the way to Alaska, shaping a generation and changing history along the way. In celebration of our country this week, enjoy this film documenting the journeys of John Paul II, the "Pilgrim Pope."

What better time to discuss America's favorite pastime than the week of July 4? Believe it or not, baseball can shed much light on our spiritual lives through its familiar images. In this video, Dr. Tim Gray and Dr. Michael Barber discuss how these seemingly opposite topics relate to one another. After watching this, you'll be reminded of your mission: to be safe at home!

### WALKING THROUGH THE VALLEY OF THE SHADOW OF DEATH BY ADM. JEREMIAH DENTON

Admiral Jeremiah Denton spent over seven years as a prisoner of war in Vietnam. In this moving presentation, he recalls how, through the power of prayer, he withstood extreme torture rather than betray God or the U.S.A. For his valor, he was awarded the Purple Heart, the Distinguished Flying Cross, the Air Medal, the Navy Cross, and the POW Medal. He is now a champion of various humanitarian causes. Enjoy his testimony in this talk!
