Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Mt. 19:14

Dear Families,

We hope that everyone has had a blessed summer. As the 2019-2020 school year approaches, registration for the upcoming Religious Education year begins. This year you may register your children for classes in the back of church after Masses on Sept. 7/8th or Sept. 14/15th.

In this envelope you will find registration forms as well as the tentative calendar dates for the religious education school year. The deadline to take advantage of the early registration discount is September 17, 2019. Discounts are available for those with multiple children enrolling and for those who are parishioners and/or volunteers with the parish. **Classes start on Monday, Sept. 29. Classes will meet Monday evenings from 6-7:30 p.m.** We have selected this time because we find it works best for most families.

We hope that you plan on registering. The gift of faith is a great gift to pass along to your children. Please fill out both the registration form and the medical form. Forms may be scanned and emailed to SHRELED37@gmail.com or sent by mail to Sacred Heart Church (Attn: Religious Ed) or dropped off at the office. You may also return the forms in the back of church on the Religious Education Sign Up Sundays. If tuition creates a financial burden, please contact us for a payment plan and scholarship opportunities. We do not want the cost of tuition to stop you from signing up, so please let us know.

If you have questions regarding the program, feel free to email us at SHRELED37@gmail.com or (248) 852-4170 ext. 15, which is the Religious Education office. In the spirit of Archbishop Allen Vigneron's recent letter "Unleash the Gospel", please also invite friends and family to register in program.

Thank you, and God Bless!
