Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."

Mt. 19:14

Dear Families,

We hope that everyone had a blessed summer. As the 2021-2022 school year approaches, registration for the upcoming Religious Education year begins. This year you may register your children for classes in the back of church after Masses on the weekend of September 18 and 19.

In this envelope you will find registration and medical release forms as well as the tentative calendar dates for the Religious Education school year. Note, discounts are available for early registration (prior to September 21, 2021), for families with multiple children enrolling, and for parishioners. **Classes start on Monday, October 4. Classes will meet Monday evenings from 6:00 – 7:30 p.m.**

We hope that you plan on registering. The gift of faith is a great gift to pass along to your children. Please fill out both the registration form and the medical form. Completed forms may be scanned and emailed to sacredheartauburnhills@gmail.com, sent by mail to Sacred Heart Church (Attn: Religious Ed), or dropped off at the office (Monday, Tuesday, Thursday, and Friday). You may also return the forms in the back of church on the Religious Education Sign Up Sundays (September 18 and 19). If tuition creates a financial burden, please contact us for a payment plan and scholarship opportunities. We do not want the cost of tuition to stop you from signing up, so please let us know.

If you have any questions regarding the program, feel free to email us at sacredheartauburnhills@gmail.com or call (248) 852-4170 ext. 10. In the spirit of continuing to "Unleash the Gospel", please also invite friends and family to register in the program.

Thank you, and God Bless!
